Catholic Parish Participation

This form will be used to verify your participation as a registered, active, contributing parishioner at a Catholic church, so we can determine your eligibility for a tuition discount. This should be completed by the party responsible for tuition payments. Keep in mind the definition of a practicing parishioner is as follows:

- Registered as a member of the parish, by means of a parish census form on file in the parish office, and using envelope system. Contributing to the financial support of the parish.
- An active member of the parish sharing regularly in its worship, ministry and community life.
